

Help us Gear up for Greatness!

When we work together, we can design an incredible future! Your support makes us tick!!

Every action has a reaction. At The Cabbage Patch, you can help young people make good choices and influence others to make a positive community impact.

Dear friend,
When you make a donation to The Cabbage Patch by the end of our fiscal year (April 30), you ensure that young people like Betty gear up for greatness through excellence in education. You prepare her to succeed in college, in the workforce and in life. **Won't you please invest in the future of Betty as well as the hundreds of other young people served at The Cabbage Patch?**

Tracy Holladay

Sincerely,
J. Tracy Holladay, Executive Director

"Because of The Cabbage Patch I've learned to not give up on my math and science homework even when it's hard. The staff pushes me through it. They use real life situations to explain the problems and help me understand it."

- Betty*, age 12

Every gift matters!

Do you have \$25, \$50 or \$100 to invest? The Cabbage Patch is not a Metro United Way agency and we do not solicit government funding, so people like you sustain our ministry!
