You are helping
them gear up
for greatness

- ⚙️ **Samantha** has started an anti-bullying group to help dispel negativity and help her peers focus on learning.
- ⚙️ **Cara** has gone from struggling with homelessness to a fresh start at the University of Kentucky with a full scholarship...including housing!
- ⚙️ **Rich** managed to increase his ACT score by 5 points with the support of The Patch's Educational Opportunity Specialists!

Each action has a reaction. At
The Cabbage Patch, we help
young people make good
choices and influence others
to make a positive community
impact. Your support is what
makes us tick!

Together,
we put dreams
in motion, helping
young people achieve
more than they ever
believed possible!

\$50 gets one child off the streets and into safe, structured after school programs for a month | \$100 helps a child learn creative problem solving with three months of art activities | \$200 helps a child avoid summer learning loss with a week of summer camp
