

Your support is the light at the end of the tunnel for struggling families:

- **Caleb** was struggling to cope with post-pandemic stress and anxiety. At The Patch, he participated in meditation and journaling that helped him to be more mindful.
- **Angela** was afraid of losing her home when the moratorium on evictions ended. The Patch provided her with financial assistance and case management to plan for long term financial stability.
- **Jenna** was so behind on her schoolwork that her father was overwhelmed. His job kept him from providing the extensive tutoring that she needed. The Patch was able to find a dedicated volunteer to work with Jenna exclusively and help her catch up.
