

Can you help me find my superpowers?

I need someone who is brave and willing to step up to the challenge!

When I discover my hidden strengths, I'll be ready to lead the way!

Dear friend,

When you make a donation to The Cabbage Patch by the end of our fiscal year (April 30), young people like Christopher below know that superheroes like you are empowering them to maximize their potential. You prepare him to succeed in college, in the workforce and in life. Won't you invest in Christopher's future today?

Sincerely,
Corey G. Miller, Executive Director

Every gift matters! Do you have \$25, \$50 or \$100 to spare?

The Cabbage Patch is not a Metro United Way agency and we do not solicit government funding, so people like you sustain our ministry!

"A good hero serves others and upholds justice. Together, we'll use my superpowers to change the world!"
