

The Cabbage Patch Settlement House, Inc.

Dancers • Musicians • Poets • Actors • Singers

Mr. John, our resident artist and Performing Arts Specialist at The Cabbage Patch, often says: “There is *so much* potential that walks through these doors.”

Like Kenny*, with encouragement and support from his fellow Patch members, he was able to overcome his fears and perform original songs that now have his peers singing along. It’s truly amazing to witness the growth in our members as they discover their hidden talents and become more confident in their abilities.

Or Sarai*, whose beautiful vocals can be heard echoing in our stairwell as she makes her way to The Cabbage Patch Performing Arts room. Her dedication and hard work to improve her craft are a testament to the power of nurturing and encouraging talent within our community.

Many Patch members have displayed their talents and gifts onstage at The Cabbage Patch Talent Show several times a year, where our members can showcase their talents and share them with others. It’s a beautiful display of the creativity and potential that exists within each one of us.

While some schools and community groups around the country are having to eliminate performing arts programming, we at The Cabbage Patch are making sure these programs remain intact in our community. We know the value the arts can add, and we want our city to be a thriving community celebrating the gifts of everyone.

Scripture teaches we all have been given a talent we can use to serve others (1 Peter 4:10). The Cabbage Patch is committed to nurturing and growing those talents to help our youth achieve success in creating a more beautiful, hopeful, and brighter future.

With your continued support and partnership, we can continue to offer safe, supportive, creative, and brave spaces where youth can see the fulfillment of their dreams realized as they grow into their unique talents and God-given potential.

Ready, set, ACTION!
