Embracing a Season of Change

Five Core Competencies

*Your support helps profoundly change lives through
The Cabbage Patch as we strengthen
children and families in five areas of focus:*

P

P – Personal Development and Growth

By exploring new interests and embracing his inner creativity, Amir learned new skills at Fashion Design Camp where he learned to sew and even stitched his own pair of shorts.

A

A – Academic Preparedness and Learning

With the nurturing mentorship of our education staff, teenagers Jillian and Katharine love Teen Debate Club, where they learn how to craft an argument around issues that are deeply important to them.

T

T – Teamwork and Leadership

Thanks to our Teen Employee program, older Patch kids like Jacobie learn leadership skills, job training, and personal accountability as he mentors younger Patch members.

C

C – College and Career Explorations

Through ACT/SAT test prep, college campus tours, and help with college applications, Brookelyn is learning how to navigate the next steps after she graduates high school.

H

H – Health and Support

While it may seem like there are too many cooks in the kitchen at times for Seed-to-Table, the club teaches Patch kids like Noah the importance of healthy eating and how to create a well-balanced meal.

Your generosity supports Louisville youth through every season of life!
