Where Potential Finds a Place to Grow

With your gift, potential becomes possibility, and possibility can transform a life.

Make your year-end donation now by returning the enclosed envelope or scanning the QR code using your smartphone.

Every child is created with unique gifts, purpose, and potential. Sometimes, they simply need a safe place, a meaningful opportunity, and a caring adult who believes in them.

At The Cabbage Patch, children discover their strengths through academics, recreation, mentoring, and leadership opportunities. Thanks to you, they have a place to belong, build confidence, and prepare for a brighter future.

Please consider making a year-end gift and help the children of The Patch continue to learn, grow, and become who they were created to be.

Thank you for investing in their God-given potential.
